

TENANT INFORMATION ADVISORY

August 18, 2022

Macon Downtown Airport Perimeter Fencing Project

This project is scheduled to begin on or about August 22, 2022, and the work that will be completed on or about February 22, 2022. The work hours will be 9:00 a.m. to 6:00 p.m. daily. The work includes but is not limited to: Repairing and finishing the perimeter fence located at the Macon Downtown Airport.

Impacts to Tenants

- Portions of the existing fence will be removed for short periods of time which will make the airport more accessible than normal.

As applicable, this work will be coordinated between Middle Georgia Regional Airport/Macon Downtown Airport Operations, and all other affected tenants. If weather or other factors prevent this work from being accomplished within the time frame allocated, the work schedule will slide and the completion time will be modified. Please notify the airport operations department should you notice suspicious or unusual activity during this time.

The points of contact for this project are:
